**PART J: Explanatory Comments**

*Use this space to elaborate on any section of this form. If more space is needed, provide as an attachment to this form. Provide explanations for any significant changes in trends/numbers from the previous year's report.*

PART B: As the headquarters element of the Department of Defense, the Office of the Secretary of Defense, Staff Elements have a significant number of Original Classification Authorities (OCA). Of the reported OSD staff elements (21), one-third (7) indicated that they were not authorized an OCA, with the other two-thirds (14) reporting at least one. The majority of the OCAs are concentrated in the offices of: Under Secretary of Defense for Policy (34 OCAs) and Under Secretary of Defense for Acquisition, Technology, and Logistics (17 OCAs).

PART C: Despite the significant number of reported OCAs (97) within OSD, there was a limited amount OSD staff elements that reported original classification decisions. Of the reported OSD staff elements (21) two-thirds (14) indicated having an OCA, although less than one-third (4) reported any original classification decisions. The majority of the OCA original classification decisions are concentrated in the offices of: Under Secretary of Defense for Policy (18) and Under Secretary of Defense for Acquisition, Technology, and Logistics (1,194).

PART D: The majority of OSD staff elements reported derivative classification decisions. Of the reported (21) OSD staff elements, more than three-fourths (16) indicated have made a derivative classification decision.
